## 2010 AIRPORT PICK-UPS AND DROP-OFFS

### AIRPORT ASSISTANCE:

If you fly into our designated PGC airport, a Point Guard College staff member will be waiting at the airport to greet you and will coordinate your shuttle to the college with other incoming athletes. The shuttle is pre-arranged by Point Guard College and can be purchased for \$35 each way when you register. A shuttle back to the airport at the end of the week will also be coordinated by Point Guard College. You can provide your flight information and pay for your shuttle service when you register OR at any time up until one month before your session. You will be contacted approximately 3-4 weeks before your session to confirm final travel arrangements.

### PLEASE NOTE:

1. Point Guard College coordinates the shuttle service or taxi ride, but does not assume responsibility or liability for the actual transportation to and from a given airport. In addition, a Point Guard College staff member may or may not be in the vehicle.

### DESIGNATED AIRPORT:

We have selected one airport as the designated PGC airport for the College session. In order to be met by a PGC staff member and receive assistance with your transportation to the college, you will need to arrive the morning that your PGC session begins (preferably between 8:45am and 11:15am), as the opening session begins at 1:30pm. We are not able to assist you if you arrive a night early. Your return flight home should depart after 2pm on the final day of your session. If you have a late arrival or early departure on the final day, we may be able to assist you, but there may be an additional fee.

We are only able to provide assistance from a single airport for each session. If you fly into a non-designated airport, you will be responsible for your own transportation to the college.
